We are proud to
dedicate
the 1996 Gray
Matter to:

*Dr. Jimmy
L. Simon*

For the past twenty-one years, the third year pediatrics rotation at Bowman Gray has become known for one thing — the opportunity to become “Simonized”. Whether you loved the rotation or hated it, you came away no worse from the experience and usually a great deal better. Though you learned to dislike your beeper during this rotation, Simon rounds were the perfect opportunity to learn the attention to detail, thoroughness and punctuality that it takes to become a good physician in any discipline. For many former students Dr. Simon and the third year pediatrics rotation are one and the same.

Since his graduation from the University of California School of Medicine at San Francisco in 1955, the teaching of pediatrics has been Dr. Simon’s life work. While serving as a Captain in the United States Air Force, Dr. Simon began his teaching career at the University of Oklahoma School of Medicine. Later he further honed his teaching abilities while serving as a Deputy Chairman for the Department of Pediatrics at the University of Texas Medical Branch at Galveston. In 1974, students at Bowman Gray became the recipients of numerous years of teaching experience when Dr. Simon accepted the position as Chairman of the Department of Pediatrics and moved to Winston-Salem with his wife Marilyn and his children Kent and Nancy.

Though he is best known to students because of his teaching style, Dr. Simon is well recognized and well respected in the field of pediatrics for his involvement in affairs important to pediatricians. Among his many activities, since 1972, he has served as a member of the Accreditation Council for Graduate Medical Education as a Pediatric Specialist Site Visitor. In addition, he is a member of the Council on Pediatric Education of the American Academy of Pediatrics and has served as its chairman since 1993.

Following his retirement as the Chairman of the Department of Pediatrics in December, 1995, the education of students at Bowman Gray and throughout the nation continues to be a top priority. He has accepted the position of Chairman of the Pediatric Education Task Force which will set the educational agenda for the teaching of pediatrics for the next fifteen years. He will also continue to “Simonize” continuing classes of Bowman Gray students as a professor of pediatrics at Reynolds Health Center.

We are proud to dedicate the 1996 Gray Matter to Dr. Jimmy Simon.

Bob, Sherri, Audrey, Gabrielle (god-daughter), Andrew, and Allison

For four years you have watched us mature as individuals and as a group until now, thanks to your support and guidance we are ready to follow not only in your footsteps but also to blaze new trails of our own.

You have set the example by word and deed of the kind of physician that we shall all strive to be. Since you began your residency training at Bowman Gray in 1982 you have become an integral part of the tradition of academic excellence upon which this institution was founded. This is evidenced by your many professional activities, appointments, and numerous teaching awards given by BGSM residents, Physician Assistant's and in 1992 your National Award for Excellence in Teaching.

We, the class of 1996, thank you and sincerely honor you as this year's recipient of the Charles B. Clark Memorial Award for outstanding service to the senior class.

CLASS OF 1996

Physician's Oath

Now being admitted to the profession of medicine,
I solemnly pledge to consecrate my life to the service of humanity.

I will give respect and gratitude to my deserving teachers.

I will practice medicine with conscience and dignity.

The health and life of my patients will be my first consideration.

I will hold in confidence all that my patient confides in me.

I will maintain the honor and the noble traditions of the medical profession.

My colleagues will be as my family.

I will allow no considerations to intervene between my duty and my patient.

I will maintain the utmost respect for human life.

I will, under all circumstances, use my knowledge in the service of humanity.

These promises I make freely and upon my honor.

Tokai Exchange Program

Natsuko Kikuchi

Hisinori Fujikura

The Tokai foreign exchange program started in 1990. Kaneyuki Matsuo was the first Japanese medical student to come to Bowman Gray as a participant in this program. Tokai University is a private school in Japan and the medical school is part of the University. Japanese students spend six months at Bowman Gray while Bowman Gray students spend two to four months at Tokai. Since the program started, Bowman Gray has had thirteen exchange students from Japan. Anyone interested in participating in this program may speak with Dean Adams in the Office of Student Affairs. A knowledge of the Japanese language is not necessary.

*In Memory of
William T. McLean, Jr., M.D.
1927-1995
Professor of Pediatric Neurology*

Bowman Gray School of Medicine as an institution and as a community lost an alumnus, a colleague and a friend with the passing of Dr. William T. McLean, Jr., a pioneer in the field of pediatric neurology. Dr. McLean is considered to be one of the founders of pediatric neurology as a medical subspecialty.

Dr. McLean, a native of Clinton, NC, who graduated from Bowman Gray in 1951, completed residencies in both pediatrics and neurology. Dr. McLean served as an assistant professor at the Johns Hopkins University School of Medicine before joining the faculty of Bowman Gray in 1966. He was the head of the Section on Pediatric Neurology from 1973 to 1992. He was the director of the Neurology Residency Training Program from 1978 to 1992.

In his 29 years of Service to Bowman Gray, his contributions to the institution did not go unnoticed. In 1973 he received the Citation for Excellence in Teaching and he was recognized as the school's Distinguished Alumnus for the year of 1976.

Nationally, Dr. McLean was known for his instrumental role in the establishment of the Epilepsy Information Service, the nation's first toll-free telephone service to inform physicians and the public about epilepsy. Additionally, Dr. McLean authored chapters in numerous texts in the fields of pediatrics and neurology.

We are greatly saddened at the loss of such a distinguished individual whose absence will be deeply felt.

Department of Chaplaincy and Pastoral Education

Pastoral Care 1994-1995

Faculty:

Chaplain Sharon R. Engebretson, M.Div., Director
Chaplain George W. Bowman, III, Th.M., retired
Chaplain J. Maurice Briggs, M.A.
Chaplain Jay Foster, M. Div.
Chaplain Mark E. Jensen, Ph.D.
Chaplain Jane S. Litzinger, M.A.

Supervisory Residents:

Chaplain William R. DeLong, D. Min.
Chaplain John T. Takacs, Jr., M. Div.
Chaplain Francis Rivers, M. Div.

Your hospital chaplains come from many faiths and respond to persons of any, or no, faith group. They are here to help anyone in the Medical Center with emotional concerns and spiritual questions. They are also available to pray with patients, patients' families, and Medical Center staff; administer sacraments; read and discuss scripture; and help patients or patients' families get in touch with clergy of their own. Support group leadership is another Pastoral Care ministry.

Our chaplaincy offices are in Watlington Hall, just off the main foyer. Office hours are 8:00 am — 5:00 pm Monday through Friday, and the telephone number is 716-4745. A chaplain is on call 24 hours a day. The on-call chaplain can be reached by way of the page operator, 716-4881.

Pastoral Care chaplains hold worship services in beautiful Davis Memorial Chapel on Mondays, Wednesdays, and Fridays from 12:45 till 1:00 pm, and on Sunday mornings from

9:30 till 10:00 am. They also maintain a prayer line on Audix. The number is 716-6855.

Davis Chapel is in the Gray Building. Its brick exterior forms one of the walls of the entrance court to Watlington Hall and can be seen from the main foyer. The chapel is always open for meditation and prayer.

Our chaplains are certified by the Association for Clinical Pastoral Education and other national chaplaincy associations, our faculty conducts several programs of Clinical Pastoral Education each year. CPE, as it is usually known, was the ground-breaking concept that Dr. Richard Young brought to Baptist Hospital almost fifty years ago. It is a carefully supervised program of intensive training in counseling and other therapeutic skills for ministers and others who help persons with their emotional and spiritual growth.

MEDICAL ALUMNI ASSOCIATION

The Medical Alumni Association provides many services to the students at Bowman Gray. The Student Recruitment Committee sponsored by the MAA calls students accepted at Bowman Gray and answers questions regarding medical school, financial aid, and life in Winston-Salem. The MAA also provides tickets to local cultural events. In addition, the MAA provides refreshments for students taking Board exams and they provide a wonderful dinner following Boards Part I and II. For the weary third year students, the MAA provides patient lab cards and telephone cards. Parents Weekend is also sponsored by the MAA every other year. The Alumni Office, led by Diane Garrett until her tragic death on February 6, 1996, consists of Tracy Simpson, Donna Sizemore and Terri Welfare. The 1996 Gray Matter staff would like to express our sincere appreciation for the MAA for all of their services for the students at Bowman Gray.

DIANE H. GARRETT 1952-1996

As director of alumni affairs at the Bowman Gray School of Medicine, Diane Garrett touched many lives. Students knew her as an unfailing ally. Alumni knew her as a talented professional dedicated to keeping alive a vibrant link to their alma mater. Coworkers knew her as a diligent, typically smiling, energetic colleague.

Diane Garrett died February 6, 1996 in a weather-related automobile accident in southeast Winston-Salem. Family and friends have established a scholarship fund to honor her memory and aid her daughter Stacy's access to higher education. Contributions should be directed to the Stacy Diane Garrett Scholarship Fund, PO Box 5600, Winston-Salem, NC 27113-5600.

"Diane was a tremendous individual in every respect and gave more than 100 percent to everything," said Michael J. Poston, vice president and associate dean for development and alumni affairs at the Bowman Gray/Baptist Hospital Medical Center. "She was a consummate professional, loving wife and devoted mother. We have lost more than a colleague. We have lost a friend."

Diane was instrumental in the effort to generate funds to support scholarships for Bowman Gray students. Named director of alumni affairs in late 1994, Diane joined the Office of Development and Alumni Affairs in 1991, working first as assistant and then coordinator for the Medical Alumni Association's Annual Fund. Prior to joining the Medical Center staff, she worked for more than 15 years in public relations and advertising for radio and television. A native of Pender county in eastern North Carolina, Diane was a Phi Beta Kappa journalism graduate of the University of North Carolina at Chapel Hill. In addition to daughter Stacy, who is a high school student in Winston-Salem, Diane is survived by her husband, Ed; her parents, Mr. and Mrs. Denver Hollingsworth, two sisters and one brother.

BILL CASEY

Congratulations! Thanks for carrying on the Casey "Tradition." I know you're leaving with as many great memories as I had. I have great confidence in your future.

Dad

GARFIELD CLUNIE

To congratulate you on your fine achievement.

Always remember. Begin the day with God, open the book of God, go through the day with God, converse in mind with God, lie down at night with God. With all our love, Mummy and Daddy, Peter, Cherece, Louis, Christina, Jared, Grandma, and the rest of the family.

HANS CRUMPLER

Congratulations! We are all so very proud of you; that you have finally made your dream come true. May all your days be happy all the way through, because your dream took root and grew. Love, hugs and kisses. Mom, Linda, Esther, Ted and family, Annisha, Alicia, Alexandra, Walter III, Julie, Walter IV, Emily, Kenny, and William. Proverbs 3:5,6

YOU CAN HAVE YOUR CAKE AND EAT IT TOO!

MICHELLE DE CECCO

Congratulations Doctor!

We know you will be an excellent Physician, and that Wake Forest BGSM will be as proud as we have always been! Love you, Mom, Dad, Monique and Trey.

PETER DELONG

Gaudeamus igitur

Jubilare sumus

MICHAEL DE ROCHE

Mom, Dad, Diane, Susan, Mark, Carolyn, David all support you and we want you to know how proud we are of you! We look forward to the day we can call you doctor!

BRUCE ETHERIDGE

If not the NFL maybe I'll try medical school

Through the good times and the hard times, we pray that you will find your choice of the healing arts a source of continuing challenge and gratification.

ANN FEELY

Even at the age of nine
You were able to define,
That someday there would surely be
Another doctor named Feely.

You've always known
what you wanted to do.
So now at last,
when your dream has come true,
We couldn't be more proud of you!

All our love,
Mom and Dad

Fourth Grader's Dream Comes True

DAVID FISHER

David M. Fisher — a not so recent photo

This is a picture of David at eight
Looking real cool
Not knowing his fate
He struggled through grade school
Through high school and college
And to our surprise
Obtained Medical Knowledge
Now he's a doctor
Some twenty years later
Without all that hair
But with arms so much greater
Stalking the ER
Looking for gore
Waiting for victims
To come through the door
He's ready and able
To cut, stitch and sew
If you're looking for help
You know just where to go
Our thanks to his teachers
They did their job great
And also to Ally
His long-loving mate
So here's to you David
You really are set
And all we have left
Is to pay off your debt.
Mom & Dad

AMY FLETCHER

Congratulations on obtaining your lofty goals!

With admiration and pride we have watched you grow into a beautiful, caring intelligent woman. With courage and determination you have overcome many obstacles. May you continue to utilize these fine attributes in the art of medicine. Congratulations Doctor! Love Mom, Dad, Matt, and Sid.

JIMMY FORRESTER

Jimmy, we NEVER doubted you could make it to the office in your yellow pedal car, raise the house two feet with a rope tied around the chimney, really fly to the rescue in your Batman cape, save the cat from an untimely death, be a scholar and a scholarship swimmer, win the ACC, and be a compassionate and competent physician. You are an ordinary kid who accomplishes extraordinary things! We are so proud of you! We love you; Mom and Pop.

Training For Co-Captain, ACC Champions, N.C. State, 1991

LANE FRESH

Congratulations,
Lane. We always
knew . . . We love
you.

Mom and Dad

KERRI GALLIPOLI

We hope your future patients fare
better than this guy.

Your long journey towards your
goal of becoming a doctor is almost
over. We had no doubt you would
succeed. Your "focus," determina-
tion, "drive" and lots of hard work is
inspiration to us all. All the best of
luck, success, health, and happiness
in the future, from the four people
who will "always" be there for you.

Mom, Dad, Louis and Nikki

SUSAN GARZA

Dear Susan, your life-long dream of
becoming a doctor has finally be-
come a reality. Your zest for life and
love of God and determination to
achieve this dream has made it all
possible. "You were once our little
girl and now you are our shining
star." Dad and I are so proud of you.
May God bless you and protect you
always. We love you very much.

"Our Shining Star"

CLINTON GUARINO

Congratulations! We wish a life full
of love, joy, and happiness, coupled
with courage, tenderness, caring
and giving to those your life will
touch in medicine. May your pa-
tients enjoy and love you as much as
your parents, brothers, family,
friends and Molly have loved and
enjoyed you. Congratulations Clint!

Mom, Dad, Guy and Dent

JOHN GUERRERO

Thanks Dad, Mom, Mike
and JoAnn for all your love,
understanding, and support
over the years.

John

But Seriously . . .

SEAN HARRIS

Since you were young, your dream was to be a doctor. Your hard work and perseverance have let you realize that dream. The care and concern you have for others will make you a wonderful physician. You have always been special to us and it is with great pride and such joy that we honor you Sean. Congratulations Dr. Harris! Our love and prayers go with you.

Mom, Dad and Kristen

MARCELA HEINRICH

Little "tüchtige Schwäbin": The brain irrigation really worked! Your smile always warms our hearts and we are so proud!

NEILL HERRING

Dear Neill,
CONGRATULATIONS ON BECOMING A DOCTOR.

Dad, Mom, and John send our best wishes. You have a bright future ahead. We have watched you grow and mature into an adult. You make us proud to be our son. The love for medicine and helping others shines through in your smile and being as a person. We chose to be bystanders as you dealt with the choice of which facet of medicine you would make your own. Your decision to become a pediatrician makes our hearts swell. You chose to follow in your Father's footsteps whose love for children gives his life meaning. May success and happiness follow you as you proceed to the next level of doctoring. We love you.

Dad and Mom

LISA JOINES

We never know what waits around the bend . . . but it is enough, more than enough, that God knows.

Congratulations, Lisa, we are so proud of you! You have shown that perseverance, hard work, and personal sacrifice are how dreams become reality. Remember "those who hope in the Lord will renew their strength. They will soar on wings like eagles."

JACOB KIRKMAN

Congratulations Jacob.
With all our love,
Mom and Dad

HILARY LEATHERS

Hilary, as you have grown from a little girl to a mature young woman, we have enjoyed every moment of your life. We are so proud and excited that this moment has come. We believe you are going to be a wonderful physician and do a lot of people a lot of good. You have grown spiritually as well as mentally. May the Lord bless and guide you in the time ahead. We love you.

Mom, Dad, Ren,
and all of your family

TARA MCDONALD

Keep soaring!! Love, Mom, Dad, Kevin, Francine, Kirby and Brant

The greatest waste of our natural resources is the number of people who never achieve their potential. Get out of that slow lane. Shift into that fast lane. If you think you can't you won't. If you think you can there's a good chance you will. Even making the effort will make you feel like a new person. Reputations are made by searching for things that can't be done and doing them. Aim low: boring. Aim high: soaring.

WYMAN MCGUIRT

"Me a doctor? You've got to be kidding." Congratulations Wyman on a job well done. Thanks for always making us smile.

Love, Your Family

Maybe I should have chosen Ophthalmology!

ALISA NANCE

Happiness is . . .

Your smile and sparkling eyes have brought many years of happiness that shall long be remembered. May the people you treat be as grateful that you are a part of their lives as I am that you will always be a part of mine. I'm proud of you and love you.
Mom

DAVID OHMSTEDE

Life is full of choices. You have made choices that we are so very proud of and fulfilled our dreams for you. May your future choices fulfill all of your goals and dreams. Congratulations!

With our love, Mom and Dad

A Proud Moment From ABC to M.D.

SCOTT PATRICK

It's hard to find the words to express how very proud I am of you and what you have accomplished. I truly believe you will make a wonderful and understanding doctor. As you and your sister were growing up I tried to encourage you to try new things and to believe you could do anything you wanted to. Apparently I succeeded. You owe your success to hard work, determination, and the sacrifices of your wonderful wife.

STEPHANIE PERRY

Dear Stephanie — you dreamed big, worked hard and used your potential to reach your goal successfully. We proudly congratulate you on receiving your Doctor of Medicine and Masters of Science from the Bowman Gray School of Medicine. With our Love and best Wishes for your future!

Goals set at an early age become reality

DAN RUSYNIAK

Way to go Dan!! Who would have guessed that the little boy who wanted to be a "physi-kan" when he grew up would grow up and do it.

With love and pride,
Mom and Dad

He's a Mama's boy

DICKSON SCHAEFER

Put a cast on this?

To Dickson

Your hard work and determination have brought you to this goal. Your compassion and dedication will make you an extraordinary physician. We, your family, love you and are oh so proud. God bless you in your life's calling.

CAITLIN SCHMIDT

Caity did . . . study hard, reach her goals, love her family.

Caity did not . . . waiver in her resolve, play too hard, give up caring.

Caity did . . . become our #1 DOC, our creative loving daughter and sister.

Congratulations! Dad, Mom, Evan, Gillian, Steve and Daisy

Caity did piece it all together

RICK SIIRA

Congratulations Rick.
Best wishes to Rick and Meg.

DAVID SINK

Congratulations Dr. Dave!

We know your future "little patients" will be in good hands.

Mom and Dad, Frank and Kim, Tom and Scarlet

PRISCILLA TAYLOR

Hi Priscilla,
Congratulations on your achievement. Remember when you were in Grade School we were watching a Television Documentary on Feed the Children in Africa and you said then that you were going to be a Doctor to help needy children. That day was the beginning of your dream and today is a reality due to your persistence and determination. Remember success is getting what you want, happiness is liking what you get.

Love, Dad and Mom

TONY TOWNSEND

Congratulations on reaching your goal. It has been a hard four years and we are very proud of you and your accomplishments. Best of wishes to you as you continue your training to become a knowledgeable and dependable Doctor. The compassion you always displayed while growing up and caring for your pets evolved into a desire to serve humanity in a very constructive way. May you have happiness and success in your chosen profession.

Love, Mom and Dad

PATRICIA TURNER

It's decided — I'll be Dr. Patricia Turner

As your family, we applauded and supported your decision to pursue your dream. We tried to be there when the sacrifices seemed most challenging . . . and as your family, we congratulate you from the bottom of our hearts, with love and great pride now that the vision you had so long ago finally becomes a reality. Always remember . . . There is nothing that you and GOD cannot handle. We're proud of you, — all our love. Mom, Dad, Gerald and Reggie

ALAN WILLIAMS

Ode to Allan

When you were born, a doctor saved your life.
And now you've even got a doctor for a wife.
Today you are finished studying through the night.
So go out and practice until you get it right!

Love, Mom and Pop

A cutie even at 6!

Congratulations Washington!
Best of luck

Love, Nermine, Sheri, and Traci
